

Press Release

Kemtah Awarded IT Services contract by national long-term healthcare provider

Albuquerque, NM

April 10, 2008

The Kemtah Group, a leading provider of IT Transformation services, today announced that it has been awarded a multi-year contract by a national long-term care provider. Kemtah has been providing IT help desk, data center support services, executive-level specialized support, IT project and IT assessment services for more than 10 years and will continue to provide these services on an even more efficient basis moving forward. With this new contract, Kemtah will be implementing ITIL based procedures and optimizing the services provided to end users.

“We are always quite proud as a company to deliver quality IT services and foster a relationship with a customer for more than a decade. Kemtah will continue to deliver on our promise to bring the customer the best practices that the industry has to offer,” said Stephen V. Wade, Kemtah’s President.

About The Kemtah Group

Headquartered in Albuquerque, New Mexico, the Kemtah Group is a premier IT Transformation Services and Support firm delivering IT Service Management and technology support throughout North America. The company's footprint of service locations throughout the U.S., Canada and Latin America enable the Kemtah Group to provide local, reliable, cost-effective IT support. Our experts help commercial and government organizations effectively optimize the people, processes, and technologies that comprise their IT departments using global standards such as ITIL, CoBIT, and ISO.
