

FOR IMMEDIATE RELEASE

Kemtah Again Selected As Approved Supplier for Major IT Manufacturer

February 24, 2009, Albuquerque, NM

The Kemtah Group, Inc., (Kemtah) today announced its award of a re-compete for IT support services with a Fortune 15 computer hardware manufacturer. Kemtah is one of about a dozen approved and preferred North American IT suppliers, providing a wide range of services from project management to business analysis to technician skills for internal operations. Over the course of this contract, Kemtah support has encompassed services for telecom, video conferencing, helpdesk, and desk side support, and high-quality staff augmentation services for the client's demanding product development and R&D divisions.

Since contract inception in 2004, Kemtah has provided more than 250 information technology staff under this contract vehicle.

About Kemtah

Headquartered in Albuquerque, New Mexico, the Kemtah Group is a premier IT Infrastructure Support and Transformation Services firm delivering IT Service Management and technology support throughout North America. Our experts help commercial and government organizations effectively optimize the people, processes, and technologies that comprise their IT departments using global standards such as ITIL, CoBIT, and ISO. Kemtah's managed service engagements have on average achieved cost reductions of 30% - 40% while simultaneously increasing productivity by 25% - 30%. We achieve these savings year-over-year through the introduction of efficient technology, aligning spending, and reengineering business processes. The company's footprint of service locations throughout the U.S., Canada, and Latin America enable the Kemtah Group to provide local, reliable, and cost-effective IT support.
